- Outdoor classroom day? **May 23rd; Every classroom is going out and doing a learning activity related to the curriculum.**
- Next year plan for large 3rd-grade class? **26, 26, 27 are the class sizes. Specialist each have a block and they go in and help. Moving RTI academic support to the 4th grade so they have extra help. We have space for an extra classroom, just not the resources. Haven't reached the "magic number".**

- June 6th planning is underway. High School students helping out. Requesting supplies from the PTO. Mrs. Gallagher will make a list and PTO can get it out to parents. Looking for volunteers to run sessions and take pictures. Ann King recommended children wear tags. Two sessions running in the morning. Examples of materials needed: yarn or hoops (for the unicorn dream catchers), plants in our yards that people could split and donate.
- Teachers and staff appreciated the quotes and gift cards for Teacher's Appreciation week.
